

# Croft Cottage

A comfortable base for your self catering holiday on the Isle of Lewis

Enjoy your holiday on the Isle of Lewis using Croft Cottage as your comfortable and convenient base. The wooden chalet-type cottage was built by Peter in 2002. It has 2 bedrooms, 1 twin and 1 double, with ensuite showers and wash-hand basins. There is also a separate bathroom with shower.

The cottage has 4 south facing windows in the lounge overlooking the crofting village of Shawbost, there is also a raised decked patio to the West, which is ideal for enjoying the spectacular Hebridean evening sunsets.

The kitchen at Croft Cottage has everything you need including dishwasher, fridge-freezer, washing machine and dryer. All linen and towels are provided.
